The SciArt Project  
2024

## Results Report

### Point of Interest 1: Ξύλο

We have the sample collected from Point of Interest 1.

The achieved magnification is not sufficient to determine the type of wood that was used.

### Point of Interest 2: Κλωστές από το ύφασμα

The magnification of the threads we collected reveals that they consist of fibers.

The achieved magnification is not sufficient to determine the type of fibers.
